

EXERCISE 28. VIEW CDBG ACTIVITY: SINGLE-FAMILY REHABILITATION

 *In this exercise, we are going to view the Single Family Rehab activity that was previously set up.*

 *Navigation Note: Use <F8> to view all of the screens for this activity.*

View Activity

1. At the Main Menu, select the appropriate option to begin viewing an activity.
2. There are two options to select an activity: 1) Enter the HUD Activity Number, press <Enter>; or 2) Using <F2>, select the Project under which you set up activity. Press <Enter> to return to the initial “REVISE ACTIVITY” screen and then select the appropriate activity. If there is only one activity set up under this Project, it will be displayed on this screen.
3. Proceed through the screens until you reach the “Money” screen.
4. Choose the appropriate path, proceed through this screen and the remaining screens for this activity and return to the Main Menu.
